

Shared Sanitary Facilities

Shared Sanitary Facilities are covered under the Public Works Article §PW 5-101 of the Worcester County Code and are also defined in the Code of Maryland Regulations (COMAR) 26.04.05. The Department of Environmental Programs process applications, performs the investigation, and prepares a staff report for presentation to the County Commissioners in accordance with the requirements defined under the Public Works Article, Section § PW-5-105(a).

Please contact Robert Mitchell, Director, at (410) 632-1220 x 1601 if you are considering applying for approval of a shared facility.
